103176 **Crushendo Straining Bag** - A mesh filter bag for holding the skins in a Crushendo wine kit during primary fermentation.

103134 **Wine Filter Buon Vino Mini** - An exceptional little electric pump filter that makes all the difference when you're after the perfect home made wine. Will filter 23 litres of cleared wine in around 15 minutes.

103135 **Filter Pad BV Mini #1 Coarse** - Filter pad for use in the Buon Vino Mini filter. Use for filtering heavy bodied reds or wines that have not cleared well. In these cases, use the coarse pad as a primary filtration followed by a further filtration using a #2 Fine pad for a perfect result.

103136 **Filter Pad BV Mini #2 Fine** - Filter pad for use in the Buon Vino Mini filter. Use for general purpose filtering. Brightens and polishes wine brilliantly.

103137 **Filter Pad BV Mini #3 Sterile** - Filter pad for use in the Buon Vino Mini filter. Use when ultra clarity is required. The finish when using these pads is truly amazing. These pads should only be used after first filtering using the #2 pads at least once.

103157 **Wine Filter Vinbrite Mk 3** - A gravity operated wine filter.

103158 **Filter Pad Crystalbrite 6's** - Filter pads for the Vinbrite Mk 3 Filter.
