

INSTRUCTIONS

essencia EXPRESS

50cm COPPER EXTENSION

1. Pack the Essencia 50cm Copper Extension evenly with two Essencia Condenser Packing Sets (6 units).
2. Fit the Essencia 50cm Copper Extension to the adapter using a tri-clamp and silicone gasket.
3. Fit the Essencia Express Condenser (with packing as below) to the extension using the tri-clamp and silicone gasket, ensuring a good seal. For best results only use Essencia Condenser Packing Sets 105120
